

Little Sutton C of E Primary School

28th January 2022

“Patience is the ability to count down before you blast off.” Franklin P. Jones

CLASS OF THE WEEK: Owl Class

The Owls have been on a mission to learn all about space. We've explored the 8 planets and earth's moon and can tell you lots of facts about them. 'Jupiter is the stormy planet and it's the biggest.' explained Zach. Archie explained that, 'a banana shape moon is actually called a crescent, not a banana'. We've also been building space shuttles, just like the ones we've watched NASA launching. We've had lots of fun and the 'oo' sound has been very important in our reading and writing as we 'zoom' to the 'moon' with a 'whoosh', and arrive very 'soon'.

INFORMATION AND NOTICES

CHILDREN'S MENTAL HEALTH WEEK - DATE FOR YOUR DIARY

February 7th to 13th, is Children's Mental Health Week and we will be taking part in a series of activities and events during the week. As part of the week, children will be exploring '[The Colour Monster](#)'. On **Friday 11th February**, we'd like to end the awareness week with 'Dress To Express Day'. We're inviting you all (parents too) to dress colourfully. Wear all one colour to express an emotion or feeling, or just because it's your favourite colour; or you could dress brightly in a rainbow of colour to brighten our environment. (Here's some inspiration from Queen Elizabeth.) You've got two weeks to plan your outfit so get looking through your wardrobes for your most colourful clothing - tutus, boas, wigs and hats are all welcomed.
