

Little Sutton C of E Primary School

4th February 2022

What a year this week has been.

CLASS OF THE WEEK: Kestrel Class

This half term, Kestrels were given the option of trying to build their own volcano. The 'C' in our REACH acronym stands for 'creative' and the Year Fours have certainly proved themselves to be creative. The ingenuity and effort that has gone into building these is fantastic and Miss Williams is one very impressed teacher.

We want to say a big 'well done' to all the school community this week. It's been a challenging week for the children and the remaining staff with so much change. You've dealt with it brilliantly.
