# The Year Ahead

---

Transition from the EYFS to the KSI curriculum

---

Statutory KSI assessment - *Phonics Screening Check* in June 2024

---

PE kits are needed on Wednesday and Friday.

---

Reading is our priority and therefore we ask all children to read at home every night

# Our Daily Routine

- We open our classroom door at 8:50am and expect all children to come into school on time and ready to learn
- We start each day with a 'morning activity' - every minute counts!
- Children can bring in one healthy snack to have at break time but school do provide KSI with fruit/vegetables to enjoy
- Please bring a bottle of water into school every day

# Reading and Phonics

The teaching of reading is  
at the heart of our school.

All pupils need to learn to  
crack the phonics code as  
soon as possible.

Our expectation is that  
children read at home to  
an adult every night.

*Strive for five!*

Reading to be recorded in  
a paper journal.

# Reading and Phonics

When the basics are embedded and automatic, subsequent learning becomes easier.

Children are systematically taught:

- Letter-sound correspondences
- To read words through blending sounds
- To spell by identifying sounds

Phonics Screening Check - Week commencing 10<sup>th</sup> June.
